Special Instructions: (e.g. rubber stoppers, picture inserts, name plates, special shipping instructions, Memory Lamp style of candle, etc.):

RELEASE FORM

I understand and agree to the following:

- 1 To allow Design Finds Mid America, Inc. to use the best of the flowers that I, or my designee, selects for my order. (Not all flowers may fit in, or be suitable for use in, the candles.) That some flowers may dry darker than they appear in their fresh state – this is especially true with dark roses.
- 2 Special instructions must be outlined in the "Special Instructions" section of the order form.
- 3 That there will be small holes in the wax, similar to the samples shown to me, due to the handcrafted nature of the product.
- 4 That some greenery will be added to all candles in the production process.
- 5 Due to the custom nature of this product all sales are final. No returns except for freight damage.**

I have read and understand all of the above disclaimers. I accept and trust Design Finds to use my flowers to create candles to the best of their ability.

PREPARING THE FLOWERS

Determine the total number of candles desired. (This will determine the number of flowers required). The following is a **MINIMUM** guideline:

Petite, mini and small sizes	4-5 med/large flower heads per candle
Medium sizes	6-9 large flower heads per candle
Tall sizes	10-13 large flower heads per candle

NOTE: Including extra flower heads gives us flexibility in designing your candles. In addition to the flower heads, include several stems of greenery per candle.

Flower heads may include all varieties and sizes of roses, gerbera daisies, stargazer lilies, irises, tulips carnations, etc. Assorted colors are most popular. In most cases, flowers (if kept in a cool place and watered) will be suitable for drying if received in 5-7 days. (Spider mums do not dry well and large sunflowers are too big to use.)

- a. Clip flower heads from stems – include greenery.
- b. Place in **UNSEALED** paper bags along with a dry paper towel. Sealed bags will promote mold!
- c. Label flowers (paper bag) with name of the purchaser
- d. If the flowers are mailed, ship USPS Priority Mail in an appropriately-sized box (USPS Supplies them free) to your Funeral Counselor, or to the address on the front of this order form.
